

PARKING

Downtown employees should leave prime parking spots on the Square for customers. Luckily, Carrollton has plenty of parking options all around downtown so you won't have to walk far. Employees should park:

- Barnes St. Parking Deck
- Rome St. Parking Lot
- Courthouse Parking Deck
- Presbyterian Ave. Parking Lot

Curb Side Parking

We have one dedicated quick-parking spot per quad to help make grabbing a to-go order or quick stop easy. Please do not use this parking space while at work.

Event Parking

We have several recurring events on and around the Square that affect parking. Depending on the event, we periodically close Adamson Square and the surrounding streets. Plan accordingly for limited parking on those dates.

ALCOHOL RULES

Adamson Square has an open container ordinance that allows customers to drink alcoholic beverages in a plastic cup from 11am until midnight. After midnight, open containers are not allowed outside of restaurants. Cans, bottles or glass are never allowed in public spaces.

DOWNTOWN DOLLARS

Downtown Dollars are purchased in-person at the Depot or online and can be redeemed at participating downtown businesses. Customers may show you a printed or digital gift card. You can manually input this card number as a credit card in your POS system.

If you receive a paper Downtown Dollar certificate, accept it as cash, then return the certificate with your business name on it to the Depot on Bradley. We will then issue a reimbursement check.
